I, the undersigned,

do hereby certify that I am an officer of the assignee and am authorized to execute this disclaimer on behalf of the assignee; and I further certify that the evidentiary documents have been reviewed and that assignee, to the best of my knowledge and belief, has title to the above-identified application and patent.

MICATEL, a French corporation, having a place of business at 54 Rue La Boetie, 75008 Paris, France, represents: (a) that it is the assignee of the entire interest in U.S. patent Application No. 09/886,930, filed June 21, 2001, and entitled DETERMINISTIC USER AUTHENTICATION SERVICE FOR COMMUNICATION NETWORK, by virtue of the assignment recorded in the United States Patent and Trademark Office at reel 013484, frame 0292; and (b) that it is the assignee of the entire interest in U.S. Patent No. 6,339,830, by virtue of the assignment recorded at reel 013484, frame 0292.

MICATEL hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of U.S. Patent No. 6,339,830, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title thereto shall be the same as the

Application No. 99/886,930

agrees to U.S. Patent No. 6,339,830, this agreement to run with any patent granted on the above identified application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, Applicant does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of U.S. Patent 6,339,830, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims annulled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements and the like, so made, are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and further that such willful false statements may jeopardize the validity of the application and any patent issuing thereon.
